

Policy Note – 2019-20

Tamil Nadu Small Industries Development Corporation Limited (SIDCO)

3.1 Formation of SIDCO

Tamil Nadu Small Industries Development Corporation Limited (SIDCO) was established in 1970 by the Government of Tamil Nadu with the objective of assisting and promoting Micro, Small and Medium Enterprises (MSMEs) in the State of Tamil Nadu. SIDCO has been playing a significant role in facilitating the promotion and development of MSMEs in Tamil Nadu.

The main activities of SIDCO include establishing its own Industrial Estates, assisting promotion of Private Industrial Estates, extending raw material support, promotion of Common Facility Centres under cluster programme, assisting Export Promotion and Marketing support and providing technical and managerial guidance to the MSMEs.

The Corporation has a paid up capital of Rs 25.14 crores. It is estimated to earn a profit of Rs1.73 crores for the financial year 2018-19 .

3.2 Industrial Infrastructure

SIDCO establishes Industrial Estates at various locations in the State providing developed plots of various sizes from 15 cents to 1 acre to the SMEs and 5 cents to 15 cents to Micro Enterprises for setting up their industrial units. .

New Industrial Estates are developed by providing infrastructural facilities like motorable roads, storm water drains, culverts, water supply, sewage system, street lighting, green belt, parks and other amenities. The layout plan for the Industrial Estates are approved by DTCP / CMDA.

There are 119 Industrial Estates developed with 8204 Developed Plots and 4714 Industrial Sheds in the State for MSMEs as on 31.3.2019 and these Industrial Estates are under the management of SIDCO. List of Industrial Estates is in Annexure - 3.1

3.2.1 SIDCO Managed Government Industrial Estates

The Government of Tamil Nadu pioneered establishment of Industrial Estates for the Micro, Small and Medium Enterprises in the State. During 1958 to 1986, 41 Industrial Estates spreading over 4511.40 acres were set up by the Director of Industries and Commerce. The first Industrial Estate was formed at Guindy in the year 1958 in an extent of 404.08 acres. Ambattur Industrial Estate, the largest MSME Industrial Estate spread over 1167 acres was established in 1963. The Government transferred all these 41 Government Industrial Estates to SIDCO and SIDCO has been managing these Government Industrial Estates as an agent of the Government. The list of SIDCO managed Government Industrial Estates is given in Annexure – 3.2.

3.2.2 SIDCO Industrial Estates

Developing Industrial Estates is the most important function of SIDCO. The land is acquired either through Government alienation or directly purchased from the land owners and industrial plots are laid out there on.

After its formation in 1970, SIDCO of its own, has established 54 Industrial Estates till 2010 covering an extent of 2332.67 acres.

During 2011-19, 35 new Industrial Estates were announced to be established by SIDCO. Of these, 22 Industrial Estates have been established. The list is given in Annexure -3.3. **SIDCO has taken action for formation of remaining estates.** In addition to development of 22 said Industrial Estates during 2011-19, SIDCO has also developed 2 more Industrial Estates viz (i) Thirumudivakkam (Micro) & (ii) Thirumudivakkam (Phase – II).

3.2.2.1 Women Industrial Parks

Out of the 78 Industrial Estates set up by SIDCO till date, 5 Industrial Estates are Women Industrial Parks. These Women Industrial Parks have been developed as per the announcement made by Hon'ble Chief Minister in 2001 for empowerment of women. The list of 5 women Industrial Parks is given below.

Sl. No	Name of the Women Industrial Park	Year of formation	Area (in Acres)
1	Thirumullaivoyal,(Thiruvallur District)	2001	246.07
2	Thirumudivakkam, (Kancheepuram District)	2002	11.48
3	Valavanthankottai, (Trichy District)	2003	51.70
4	Karuppur, (Salem District)	2004	51.24
5	Kappalur, (Madurai District)	2008	18.87
Total			379.36

3.2.3 Shifting of existing Industrial units to the outskirts of town/city

The Industrial units functioning in proximity of human habitations / residential areas are causing pollution and lack of space has also made expansion of industrial units impossible.

The Government realizing the above issue, during the year 2013-14 announced incentive, when the industrial units located in urban areas in a scattered manner form a group are willing to shift their units outside the urban areas, the Government would provide 75% grant of the total development cost up to a maximum of Rs.15 crore for getting electricity, water connection, roads and to have other infrastructure facilities like conference hall, common facility centre etc.,

Under this scheme, approval has been given to 3 projects at a total project cost of Rs.3184.75 lakh. Out of the 3 projects, the Namakkal Truck Body Building project has been completed **at a total project cost of Rs.1367.75 lakhs**. The remaining 2 projects are ongoing and details are given below:

(Rs.in Lakhs)

Sl. No.	Name of the Clusters	Extent in acres	Project cost considered for sanction	Grant Sanctioned	Grant released
1.	M/s. Tea Cluster, Mettupalayam	13.45	600.00	450.00	225.00
2.	M/s. Southern District Textile Processing Cluster, Virudhunagar	100.46	1217.00	912.75	456.38
	Total	113.91	1817.00	1362.75	681.38

3.2.4 Formation Private Industrial Estate

There has been scarcity of availability of land for development of industrial estate near major cities. Whereas, there is an increasing need for additional space for expansion of MSME units and allotment of plots to the upcoming entrepreneurs. Finding Government poramboke land and acquisition of private land for formation of new Industrial Estate has become challenge. During the year 2013-14, a special incentive was announced by the Hon'ble Chief Minister of Tamil Nadu under Rule 110 to provide 50% grant with maximum grant limited to Rs.10 crore to the association of entrepreneurs coming forward to set up new private industrial estates at the outskirts of towns / cities.

Under this scheme, approval has been given to 2 projects at a total project cost of Rs.3,796.66 lakhs as detailed below :

(Rupees in Lakhs)

	Total	304.00	3796.66	1682.33	841.17

3.2.5 Industrial Estates through Joint Venture mode

Government has also announced scheme of setting up of private Industrial Estate under Joint Venture mode. Under this scheme, the interested companies will have to enter into Joint Venture agreement with SIDCO in which SIDCO will have minimum 11% stake in the company.

3.2.6 **Infrastructure Development under the MSE-CDP (ID) Govt. of India Scheme**

Under MSE-CDP scheme of Government of India assistance is provided for MSME Infrastructure Development for (i) Creation of new Industrial Estates

and (ii) Upgradation of infrastructure in existing Industrial Estates. Under this scheme, 60% of the project cost (maximum project cost of Rs.10.00 crores) subject to a ceiling of Rs.6.00 crores is provided as grant for the creation and upgradation of infrastructure in the new and existing Industrial Estates respectively. SIDCO avails this grant and develops new Industrial Estates as well as upgrades infrastructure of its existing Industrial Estates in the State.

3.2.6.1 Creation of New Industrial Estate under MSE-CDP(ID)

Under the scheme, SIDCO has already availed grant and completed creation of 16 new Industrial Estates. Currently, 2 sanctioned projects (i) at Pidanerai (Thoothukudi District) at a project cost of Rs. 805.00 Lakhs and ii) at Periyanasalur (Cuddalore District) at a project cost of Rs.1250.00 Lakhs are under implementation .

In the Financial Year 2018-2019, the Govt. of India has given final approval for the following 2 projects

Total Project cost					88.00

The development of infrastructure are under progress in all above 4 locations and the allotment of plots to MSMEs in all 4 locations is under progress.

3.3 Allotment Policy

A transparent procedure is followed in allotting the sheds / plots by advertising the availability of sheds/ plots in newspapers and in the website. A Screening Committee constituted with the officials of SIDCO, Directorate of Industries and Commerce, TIIC, banks and representatives of TANSTIA as members interviews the applicants and the eligible applicants are selected on merits. Plots / Sheds are allotted by way of lot system, when there are more selected applicants than available vacant Plots / Sheds .

SIDCO develops industrial plots of various sizes ranging from 5 cents to 100 cents (1 acre) and above as per the requirements of the manufacturing units in the Industrial Estates and the industrial plots are allotted to MSMEs. During 2018-19 , 248 plots and 10 sheds have been allotted to MSMEs.

3.3.1 New Allotment Policy of SIDCO

SIDCO has been making allotments in its Industrial Estates on Outright Sale Basis till 2013. In order to ease financial burden for the MSMEs in procurement of plots, during the financial year 2013-14,

a new allotment policy was implemented vide G.O.(Ms). No.66, MS&ME (C) Department, dated 18.11.2013 where in plots in SIDCO Industrial Estates developed from the financial year 2013 -14 onwards were allotted on 30 years lease basis alone with option to purchase the plots on outright sale basis at the end of 30 years. However, based upon representation from various MSME associations, allotment policy was again revised

vide G.O.(Ms) No.40 MSME(C) Department dated 15.12.2016 wherein option was given to MSME units to either purchase the plots on outright purchase basis or lease cum purchase basis in all SIDCO Industrial Estates developed from 2013-2014 onwards. In case of lease cum purchase, the allottee has to pay only 60% of the plot cost upfront and balance 40% shall be paid over a period of 30 years and at the end of 30 years sale deed will be issued without collecting any additional cost.

3.3.2 Priority given to various sectors in allotment of Plots/ Sheds

As per G.O.(Ms).No.7, Micro, Small and Medium Enterprises Department, dated 31.01.2009, 30% of the saleable area of the Industrial Estates is earmarked for Micro Enterprises.

Priority is given in allotment of developed plots / sheds to the following categories:

- 30% for Women Entrepreneurs.
- 10% for Ex-servicemen
- 20% for SC/ST and Transgenders.

If sufficient number of the applicants are not available in these categories, the plots/sheds will be taken up for allotment to other categories.

As per G.O.(Ms).No.49 Micro, Small and Medium Enterprises Department dated 29.10.2012, consideration in allotment of plots/sheds is given to the first generation entrepreneurs who have successfully completed Entrepreneurship Development Programme (EDP) training under NEEDS Scheme, on application, subject to availability.

3.4 Common Facility Centres (CFCs) under the MSE – CDP Scheme of Government of India

The Ministry of Micro, Small and Medium Enterprises (MSME), Government of India (GOI) has adopted the cluster development approach as a key strategy for enhancing the productivity and competitiveness as well as capacity building of Micro and Small Enterprises (MSEs) and their collectives in the country.

Objectives of the scheme is (i) to support the sustainability and growth of MSEs by addressing common issues such as technology up-gradation, skills and quality, market access, access to capitals etc., (ii) to build capacity of MSEs for Common supportive action through formation of self-help groups, consortia etc., (iii) to create / upgrade infrastructure facilities in the new / existing industrial area / cluster of MSEs and (iv) To set up Common Facility Centre (for testing, training centre, raw material depot, effluent treatment, complementing production processes, etc.,)

The funding pattern of MSE-CDP(CFC) scheme is given below.

Grant from GOI	70% (maximum project cost of Rs.15 crore)
Grant from GoTN	10% (maximum of Rs.1 crore)
SPV Contribution / Bank Loan	20%

Out of 44 projects identified under this scheme, 30 projects at a total project cost of Rs.163.26 crore have been sanctioned by the Government of India with a grant for a sum of Rs.111.51 crore. The Government of Tamil Nadu have sanctioned a grant of Rs.12.99 crores. Out of the sanctioned 30 projects, 22 projects have already been completed. The remaining 8 projects are under various stages of implementation. The expected total employment generation from these clusters will be around 25500 persons. The list of 30 projects implemented under MSE-CDP(CFC) scheme is given in Annexure – 3.4.

Further in principle approval for 9 projects and final approval for 1 project, totally for 10 projects at a total project cost of Rs.145.71 crores, has been obtained from Government of India and the list of 10 projects is given in Annexure 3.5. The Government of Tamilnadu has further cleared 4 new projects at a total project cost of Rs.59.48 crores and recommended to Govt. of India for approval and the list of 4 new projects is given in Annexure -3.6.

3.4.1 Micro Cluster

The Hon'ble Finance Minister during the Budget Speech on 13.02.2014 has announced that the Government of Tamil Nadu will support clusters of Micro Industries and launched a New Scheme for establishment of "Common Production Infrastructure", besides raw material bank and marketing infrastructure.

Under the above scheme, the Government have sanctioned 6 projects with grant assistance of Rs.1320.98 lakhs and the projects are under implementation. Out of approved 6 projects, first installment grant of Rs.535.49 lakhs has been released to 5 projects as given below.

(Rs. In lakhs)

3.5. Export Promotion and Marketing Support

The Scheme for Export Promotion and Marketing Support has been introduced by the Government during 2017-2018 to facilitate MSMEs access to global market and new technology and thereby promote their competitiveness in marketing their products and services. Under the scheme MSMEs are facilitated to participate in International Exhibitions / Trade / Buyer-Seller Meets

and Technology Fairs. As a state sponsored scheme, in the short span of time, the scheme gained wide acceptance among MSMEs across the State and resulted in a prominent business generating promotional activity.

With a successful outcome of MSMEs participation in 5 international events in 2017-18, the year 2018-19 has turned out to be very fruitful and business oriented to the MSMEs. The list of 13 International events in which MSMEs participation and State's representation was made is furnished below:

Sl.No	Name of the event
1	10 th DEFEXPO India held from 11-14 April 2018 in Tamil Nadu
2	International SME Convention held from 22-24 April 2018 in New Delhi

13	First Global Economic Zone (GEX) Expo and Convention held from March 27-29, 2019 in New Delhi

The scheme has facilitated in promoting State branding through such global business platforms and bring new investment proposals to the State besides generating business opportunities and technology trends to the MSMEs. In spite of the limitation in the number of units to be assisted under the scheme, 187 MSMEs have directly benefited in taking part in such international trade meets and exhibitions bringing additional export earnings of about Rs. 225 crore.

The activities hitherto undertaken under the special scheme for export promotion and marketing support has been found beneficial to the MSMEs in promoting exports and keeping them abreast with the innovation and new technology. The scheme has also enabled the Government of Tamil Nadu in projecting availability of developed infrastructure and entrepreneurial eco-system in Tamil Nadu to mobilise new investment in MSME sector. Underlining the significant outcome of the scheme and scope for broad basing the activities to enhance exports and promote investment in MSME sector, Government has issued orders to set up an independent autonomous body, registered under the Tamil Nadu Societies Registration Act., to function as MSME Trade and Investment Promotion Bureau (M-TIPB), vide G.O. Ms No.8 MSME (G) Dept Dated 24.01.2019. After completion of registration, the Department will kick-start the functioning of M-TIPB to become the first of its nature among all states in India.

3.6 Distribution of Raw Material

The raw materials such as Paraffin Wax and TNPL paper (direct and agency) are distributed through various depots situated in Ambattur, Coimbatore, Madurai, Trichy, Sattur, Sivakasi and from Branch Offices located at Erode, Salem, Thanjavur and Vellore.

The details of target and achievement for the year 2018-19 are given below:

3.7 Marketing Assistance Scheme

SIDCO assists the Micro and Small Entrepreneurs through Marketing Assistance Scheme. SIDCO approaches the Government Departments / Undertakings / Local Bodies on behalf of these Micro and Small units which are registered with SIDCO for obtaining work order under this scheme. The orders so received are distributed among Micro and Small Enterprises and SIDCO ensures prompt execution of these orders. Payments received from the Government Departments / Undertakings / Local Bodies for the supplies affected are released to the units after deducting 3% as consultancy fees.

SIDCO has executed purchase orders worth of Rs. 86.111 lakh for the year 2018-19 through Micro and Small Industries under the Marketing Assistance Scheme.

3.8. e-Governance

In keeping pace with e-Governance initiatives and to realize full potential of ICT in serving MSMEs, SIDCO has computerized its activities to implement IT system for end to end automation capturing the complete life cycle of business processes for efficient and transparent working, enhancement of ease of doing business and improve investment climate for MSMEs by providing online delivery of various services to industry and all other stakeholders. The software has been brought into use for its stakeholders. The software which captures business process of all the core activities of SIDCO under different modules is functioning live and can be accessed at <https://www.tansidco.in> The e-Governance initiative comprises GIS linked monitoring of all business processes / activities of SIDCO like allotment of plots/sheds and related issues, procurement and distribution of raw materials, tendering process, accounting, HR management, etc.
